Didier LAROCHE

Didier has spent many years to form within the UCPA (Union des Centres de Plein Air), in the Pyrenees and then in Val d'Isere in 1987, followed by seasons in Tignes, Les Arcs and La Plagne.

It sets in the most beautiful stations for its ski area in Val d'Isere in 1992 during the Olympic Games. His experience of ski and snowboard instructor confers him tremendous educational qualifications where with a few simple words and demonstration of the movement to be achieved, it will unlock a situation with confidence.

Originally from Rochefort on the Atlantic coast, Didier holds rich and varied experiences: it is higher studies in specialized electronic computer in the 1980s. Former competitor in sailing, it easily obtains diploma to teach surfing, dinghy and catamaran and skipper sailing or motor boat. Passion for motorsport, it is one of the artisans "Club 4x4 des Aigles" in Val d'Isere, he became one of the first qualified instructor for sport automotive and the winter he offers you great thrills aboard a car on the ice circuit Tignes or Val d'Isere or introduce you to safe driving on snow with your own vehicle or with his own vehicle.

His portrait would not be complete without mentioning its momentum of great traveler.

Where he lived? From Tahiti to America north and south, a few trips to Africa, Thailand and its neighboring countries and around Europe. He recharge himself in the scuba diving, surfing sea, walking in the mountains, where he often combines adventure with the discovery aboard a off road car.
