## Quality Ski Lessons Group Lessons for Adults

Group Lesson, Ski Clinics  
Special White Course

### Group Lessons, Ski-Clinics

Group lessons are limited to a maximum of **6 clients**.  
With a small group like this, the instructor will be able to give individual attention to each student.

You can choose your course according to your technical level and your learning desires. :

**White course** : you have never skied before.

**Blue course** : You can ski the blue runs without too much trouble and you are ready to improve on red runs.

**Red course** : You have skied for a long time and are at ease on the red runs,  
however to comfortably ski the black runs, you know you need some technique.

At this level, we will help you improve to the point that you can happily ski on all kind of snow and the bumps.

### Specific conditions (extracts of the GCS)

"Group lessons can be arranged by advance reservation only.

A maximum of 6 clients will be with each professional.

To run a 6 day course there must be at 3 clients.

However, if only 2 clients sign up, we will offer you 4 days instead of 6.

And if only 1 client sign up, we will offer you a 2 days course.

In the case of 1 or 2 clients, it is cheaper to sign up for the above mentioned options than to enroll in a private lesson."
